

ARE YOU LOOKING TO INSTALL SAFETY CAMERAS FOR YOUR BUSINESS?

The NBR is excited to announce that thanks to a grant, we can assist businesses with getting cameras installed for their business.

The North Broad Security Camera Program supports businesses in their efforts to purchase and install exterior cameras on commercial properties. The program seeks to increase safety for shoppers, residents, and employees and is a part of the North Broad Renaissance Clean and Safe program.

To learn more, email us at programs@northbroad.org, or call 267-318-7772. Thank you for being a valued partner in our efforts to keep North Broad Street clean and safe!
